

# Why choose

## a *Christian* education?

Math, English, and science are all important subjects for children to learn in school, but academics are only one part of what makes an education.

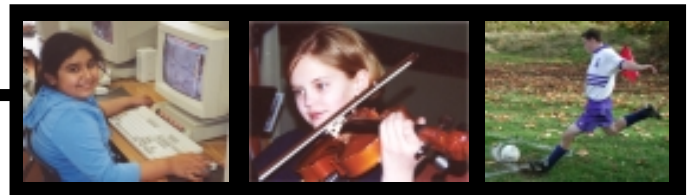

Our mission at Rainier Christian Schools is to educate and develop the whole person for the glory of God! To RCS, this means not only offering a strong academic program, but a program that specifically equips Christian young people to live their faith in a non-Christian world.

Our six campuses in South King County are staffed by Christian teachers who are committed to teaching Christ not only in Bible classes and chapel, but in every academic subject, our athletic and music programs, and in all extra-curricular activities.

### *Excellence in Education*

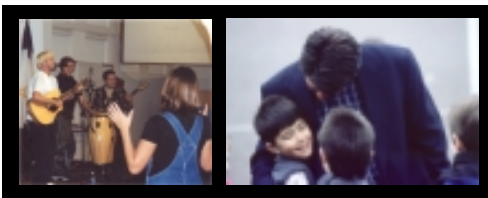

#### **Challenging Academics**

- Bible classes
- Advanced placement courses
- Computer courses
- Fine arts courses such as drama, strings, band, and choir
- A variety of elective courses

#### **Co-Curricular Opportunities**

- Spelling bees
- Speech meets
- Math league
- ACSI Musicale
- Extensive boys and girls athletic program
- Student government
- Service and hobby clubs

### *The Gift of a Christian Education*

Chapel, Bible classes, and an integrated curriculum help your child develop an intellectual knowledge of God and His Word.

Christian teachers and peers create an environment that cultivates a heart of faith and encourages growth in your child's personal relationship with Christ.

Give your child the chance to put their faith in action by participating in service projects and mission trips.

*Prepare your child's  
heart and mind for life!*
